

The TORNADO screed has the most innovative technology and the most comprehensive range of vibrating options.

TORNADO

LIGHT VIBRATING SCREED

+ Safe and comfortable + Handling

The TORNADO handlebar is vibration-isolated, providing greater comfort for the user.

Its folding handle makes it easy to transport without the need for additional tools.

+ Ergonomic

The handle of the TORNADO is height-adjustable, and it has a cushioned grip.

+ Engine support

It helps protect and reduce vibrations in an engine by 50%, thus extending its life.
